Description: This companion to *Speaking of Divorce* is for kids ages 7–12. In a simple question-and-answer format, the book gently explains what divorce is, why parents decide to divorce, new living arrangements, how to handle feelings, and other basics to help children understand what's happening in their lives. With honesty and simplicity, the authors help children...

Review: As a clinician, I purchased this book to use with young clients adjusting to their parents' recent decision to divorce. I tried to use this book with children 11 years old and children around 7 years old. The text didn't fit either age group's needs well. The book is adequate for introducing the idea of divorce. However, the information is a bit simplistic for...
